TERRI LEGRAND BRINGS IN OVER \$100,000 IN UNPRECEDENTED FUNDRAISING HAUL

Kernersville, NC – Today, Terri LeGrand, a candidate for North Carolina State Senate District 31, announced that her campaign raised more than \$109,000 in the first fundraising quarter of her campaign.

“I’m humbled by the support we’ve received over the two months of our campaign. We’re building a movement to bring ethical representation back to Raleigh, and it’s time for a new generation of leaders who will listen and lead.”

“I’m not beholden to big business and I’m not taking a dime in corporate PAC contributions,” says LeGrand. “I’m running to work across party lines to deliver bold solutions and real results for North Carolina families.”

More than half of LeGrand’s donations were small dollar contributions of \$250 or less, and over 94% of her donations were in-state. In recent weeks, Senate District 31 has been identified as one of the most competitive State Senate races in North Carolina.
